现场调查/现场采样/检测图像影像	The image shows three individuals standing in a modern, brightly lit interior space. On the left is a woman wearing a grey jacket over a colorful striped shirt and dark trousers. In the center and on the right are two men wearing dark grey work uniforms, white face masks, and grey baseball caps. Behind them is a large, curved white wall featuring the 'FASTLINK' logo in red and black, with the Chinese characters '快联门业' (Fast Link Door Industry) below it. The image shows two workers in a factory or industrial setting. Both are wearing yellow hard hats, white face masks, and dark grey safety jackets with reflective white stripes. They are positioned in front of a piece of industrial equipment, possibly a welding station or a large machine, which has a control panel and a monitor. The background shows industrial structures and windows.
